

WINFIELD HIGH SCHOOL HARBOR PROJECT MEMORIAL PAVERS

Proudly, the New Viking Harbor had its grand opening in April 2009. Engraved bricks and large pavers may still be purchased to go in the Harbor or at the South entrance to Winfield High School

Do not miss this opportunity to place your name, or organization in a permanent place of history at Winfield High School.

Please fill out the following data to reserve your brick, and mail it to USD 465 Foundation, P.O. Box 211, Winfield, KS 67156, attn: Harbor Project. Enclose \$100.00 for each brick ordered; \$250.00 for an 8 x 8 paver; or \$800.00 for a 16 x 16 paver (which will only be offered at the South entrance). **This is a tax deductible donation!**

For a brick, you may have up to three lines of lettering with a maximum of 12 characters per line (including spaces). For an 8 x 8 paver, you may have up to six lines of lettering. If you think you want a 16 x 16 paver, please contact us. Use one character, letter, number, punctuation mark, or space per square. Lettering will be centered by the engraver, so start in the box to the left. Please print clearly.

For 8 x 8 paver, add 3 additional lines:
